# PARTNER PROGRAM

## WHY HERE. WHY NOW.

We believe God is stirring something powerful here. Not someday. Now. We are watching our community — especially young people — lean in, respond, and say yes to Jesus in ways that are inspiring and life-changing for themselves and the people around them.

Celebrate Minnesota is no longer just “an event.” It is a catalytic movement for the next generation — in our cities, our schools and our state. Your partnership doesn’t just help us do something inspiring for one weekend. It helps create year-round experiences that form faith, create community and ignite purpose.

This moment matters. This generation matters. And your investment helps us reach them at the exact time in their lives when direction is being formed and identity is being shaped.

We invite you to prayerfully consider the level that feels right as we reach our community together.  
— The Celebrate Minnesota Leadership Team
